GILFRY'S CHARGE DENIED.

Request for Receiver for the District Realty Company Dismissed.

The rule to show cause issued against the District Realty Company, upon a petition filed by Henry H. Gilfry for him- which Rev. Dr. Donald C. MacLeod, pasself and on chalf of former Senator tor of the First Presbyterian Church, William H. Clark, was dismissed this morning by Justice Anderson. The court refused the appointment of a receiver and the issuance of an injunction against the realty company.

In making this decision Justice Anderson held that the charges made by Gilfry & Clark that the realty company, as sales agents for City View Heights, were remiss in making settlements to them, were denied, and that the issue had now become a point of fact which can be settled only by the taking of testimony. Attorney C. M. Fulton appeared for the realty company.
